### **Minutes of the Annual General Meeting held in Kilry Hall on Thursday 25<sup>th</sup> August 2016**

**Present:** Roger Clegg, Chairman, Jo Chapman Campbell, Secretary, Mr & Mrs T Roberts (Glenisla), David Robinson (Airlie), Geoff Hobson( Kingoldrum), Cllrs Ronnie Proctor, Iain Gaul and Jeanette Gaul.  
Linda Connor, Gordon Grewar

**1.0** Apologies from Sue Smith, Dave Koller, Liz Hamilton

**2.0** Minutes of meeting of 27<sup>th</sup> August 2015 approved. No matters arising.

**3.0** Chairman's Report 2015/16

Planning issues, especially those relating to renewable energy and in particular wind farms, have taken up the major part of several meetings but it will be a considerable relief to many that since the last AGM plans for Macritch have been withdrawn and Wind Prospect have decided not to appeal the two local authorities' refusal decisions for Saddlehill.

No work has yet begun on the Tullymurdoch scheme which has been delayed by a judicial review. Meetings between this community council, Alyth Community council and the developer have so far been unsuccessful in resolving the issue of community benefit. Consequently no further work has been done on establishing a SCIO.

Following the February community council meeting attended by representatives of Digital Scotland Superfast Broadband, Community Broadband Scotland and Angus Council it became apparent that there are many areas in rural Angus which will not be served by the new superfast broadband scheme. A committee consisting of representatives from this community council, CBS and Angus Council are currently working on a scheme to upgrade broadband provision and a feasibility study is planned for the Autumn funded by Leader money.

I am grateful to all the community councillors for their contributions, in some cases over many years and in particular I want to thank Sue Smith for her work as Treasurer and Geoff Hobson for his IT and planning officer work and for filling the role of vice chairman. Jo Chapman- Campbell has been acting as secretary and her continued clerical support of the community council is much appreciated. Finally thanks to our three Angus Councillors who make the effort both to attend and contribute to our meetings.
